In view of the COVID-19 pandemic, all inbound travellers (including returning Korean nationals) are required to quarantine themselves for 14 days upon their arrival in Korea **starting from 01 April 2020**.

1. Korean nationals and foreign nationals who reside in Korea will self-quarantine at their place of residence for 14 days.

2. ① Foreign nationals who are short-term visitors in Korea, ② Korean nationals and/or foreign residents whose place of residence is deemed not suitable for quarantine, will serve the quarantine at a designated government facility at their own cost (KRW2,100,000 per person). The **Facility Quarantine Agreement (refer to attachment)** must be completed and submitted to the airlines.

※ The spouse and lineal descendants of Korean national or long-term residents of Korea may self-quarantine in the Korean national/long-term resident's place of residence instead of government facility by providing official family relations documents.

※ Lineal descendants refer to direct line of descent such as grandparents, parents, child. Siblings are not included.

**Exceptions**

1. A-1, A-2 and A-3 visa holders with negative test results from COVID-19 diagnostic testing will be subjected to **"Active Monitoring"** (instead of 14 days quarantine), which includes daily submission of health status information via the **'Self Diagnosis App'** and phone calls from health authorities throughout their stay in Korea.

2. Visitors who are issued with "Quarantine Exemption Certificate" from the Embassy of the Republic of Korea before the trip.

#### <Application of Quarantine Exemption Certificate >

In order to apply for "Quarantine Exemption Certificate", the visit must be

- (i) related to IMPORTANT AND URGENT business (contract, investment, technical advisory) / academy / humanitarian reasons.

- (ii) If the above purposes are met, you may apply for "Quarantine Exemption Certificate" by submitting the following:

Important & Urgent Business Purposes	Please Check <del>ROK-Singapore Fast Lane for Essential Travel (Link)</del> *Temporarily suspended
Humanitarian reason (death of a family member in Korea)	[Must] Passport (original and copy)
	[Must] NRIC/Long term pass in Singapore (original and copy)
	[Must] Quarantine Exemption Application (refer to attachment)
	[Must] Death certificate of deceased
	[Must] Family relations certificate

Processing time: At least 4 working days if there is no urgent issue.

#### <Download app prior departure to Korea >

1. For Korean nationals and foreign nationals who are long term residents in Korea, please download the latest version of 'Self-Quarantine Safety Protection App' (refer to attachment)
2. For short term visitors, A1, A-2, A-3 visa holders and foreigners who received the 'Quarantine Exemption Certificate', please download the latest version of 'Self Diagnosis App' (click)

#### <Introduction of safety wrist band for non-compliant quarantine subjects >

With effect from 27 April 2020, a person in quarantine who violates quarantine guidelines will be required to wear a safety wrist band. Those who refuse to wear the safety wrist band will be transferred to a designated quarantine facility and may be required to pay for the use of the facility.

Please refer to attachment for details.

**< All inbound travellers to be tested for COVID-19 within 14 days of arrival >**

In addition to continuous importation of COVID-19 cases from Europe and Americas, the number of imported cases from Middle East and Africa has also increased recently.

As such, entry procedures will be further strengthened.

**Starting from 11 May 2020**, ALL inbound travellers will be tested for COVID-19 within 14 days of their arrival regardless of symptoms being present/absent.

**< Crew members to be tested for COVID-19 and 14 days quarantine>**

**With effect from 06 July 2020**, all crew members who disembark from vessels/cruises/ships will be tested for COVID-19.

**With effect from 13 July 2020**, all crew members who disembark from vessels/cruises/ships will be required to serve 14 days quarantine.

**< Enhancement of COVID-19 testing for those who quarantine at government facilities >**

Due to the recent increase in the number of imported COVID-19 cases, the Republic of Korea will enforce more through COVID-19 testing for those in quarantine at a temporary living facility. This measure intends to ensure early diagnosis and immediate treatment during the period of their admission.

Please be aware that, as of July 20, all residents of temporary living facilities except for those coming from China and Vietnam will undergo three rounds of diagnostic testing upon arrival, on the tenth day of admission, and either on the fourteenth day of admission or upon exit.

# Instructions for Quarantine Subjects

For COVID-19 prevention, **you are required to enter quarantine on the day of your entry and remain in quarantine for the next 14 days** in accordance with **the Quarantine Act and the Infectious Disease Control and Prevention Act.**  
(For example, if you arrived on 1 April, you are required to home quarantine (self-quarantine) until 24:00 of 15 April)

### Precautions for Arrival at Airport

- Foreign nationals for short-term stay should go into isolation at a facility designated by the Korean government at their own expense.**

- If you are a foreigner on a short-term visit who boarded from Europe or US, you will be tested at an open walk-thru screening station at airport and enter quarantine/isolation at a temporary living facility. Other foreigners on a short-term visit will enter quarantine at a temporary living facility and be tested if symptoms occur during quarantine.

- Note) **Exempted from quarantine\*** should undergo the diagnostic tests and be under active surveillance in which **designated public officials check on their health conditions for 14 days.**

\*Exempted from quarantine: Entrants acquiring pre-approved waiver through the Ministry of Foreign Affairs Those holding A1 (Diplomat), A2 (Government official) visa or acquiring "Quarantine exemption document" in advance of entry issued by the Korean Embassy.

- Foreigners who are long-term should go into self-quarantine in their homes.**

- If you are a foreigner on a long-term stay (i.e., living in Korea) who boarded from Europe, you will be tested at an open walk-thru screening station at airport and wait for the result at a temporary living facility. If the result is negative, you will be allowed to leave the facility and enter home quarantine.

- **Asymptomatic foreign nationals for long-term stay from the United States should undergo diagnostic tests within three days of self-quarantine.**

- **Asymptomatic entrants from all parts of the world except for Europe or the United States should Undergo the diagnostic tests when any symptom appears while being quarantined In homes.**

\* The following measures will be taken according to the test results.

- Must wear a facemask all the time and minimize contact or conversation with others.**

- When heading to home, **using your private car or** should use **specially designated airport limousine bus and KTX (designated cars).**

# Instructions for Quarantine Subjects

### Guideline for Quarantine Subjects

#### ✓ Guideline for Quarantine

- Refrain from going out of the isolation place to prevent infection from spreading
- Self-quarantine subjects should stay in a separate place and common rooms are frequently ventilated
- If it is not possible to stay alone in a separate place, ask help from local health centers
- In case outing is necessary, such as medical appointment, make sure you contact to local health center first
- Avoid sharing your personal items (personal towels, eating utensils, cell phones, etc.) with your family members or housemates
- In case of symptoms such as fever, cough, respiratory difficulties, immediately report to the local health center

#### ✓ Guideline for Families and Housemates of Quarantine

- Family members or housemates refrain from contact with self-quarantine subject as much as possible
- When contact with the subject is unavoidable, wear a facemask and maintain a 2-meter distance
- Closely monitor health condition of self-quarantine subject
- Frequently clean commonly touched surfaces including tabletops, door knobs, bathroom fixtures, keyboards, and etc.
- If your work involves coming into contact with many people or if you work in a publicly used venue (including but not limited to school, private classes, preschool, kindergarten, social welfare facility, postpartum care center, and healthcare institution), you need to limit or reduce your work capacity as best as possible to minimize contact until the end of the quarantine period.

### Guideline for Quarantine Subjects

- ✓ Wash your hands thoroughly with soap and running water for over 30 seconds
- ✓ Cover your nose and mouth using your upper sleeves when coughing
- ✓ Do not touch your eyes, nose, or mouth with unwashed hands
- ✓ Frequently ventilate your rooms
- ✓ Wear a mask in case any symptom appears including fever, or respiratory symptom, or you visit a medical institution

\*If you leave your quarantine area without permission during your home quarantine period or otherwise fail to comply with quarantine guidelines, you will be required to wear a safety band on wrist. If you still refuse to comply, you will be ordered to quarantine at a facility. (You may be required to pay for the use of the facility.)

If you do not fully comply with those stated above, you will face up to 1 year in prison or a 10-million won fine in accordance with the relevant laws. In case the infectious disease spreads or additional infection control measure is implemented including facility closure due to violation of the regulations, such violators may be subject to claims for damages. Also, they could face cancellation of visa (residency status), deportation, or ban on reentry into Korea, etc.
